

# MHRI-GHUCCTS Monthly Statistical Seminar Series 2024-2025

Friday, January 17, 2025  
12 - 1 PM EST | Online

## Time Series Analysis

In this session, we will discuss assumptions and methods for analyzing summary data that is observed over a given time period. Methods include transformation for inferential analysis, analysis of trends and analysis of two or more series.

**Paul Kolm, PhD**

Associate Director, Center for Biostatistics, Informatics, &  
Data Science (CBIDS), MedStar Health Research Institute
